

TECHNICAL DATA

|                         |                                                                |
|-------------------------|----------------------------------------------------------------|
| Application             | aluminium columns with spigot endings Ø76 mm                   |
| Assembly                | with 3 screws M6, after preparing mounting holes in the column |
| Colour                  | Red                                                            |
| Ingress protection      | IP 44                                                          |
| Material                | PMMA                                                           |
| Input voltage frequency | 50/60Hz                                                        |

| Symbol          | LED power | Luminaire power consumption | Mounting diameter | Net weight |
|-----------------|-----------|-----------------------------|-------------------|------------|
| Big light spike | 6 W       | 7 W                         | 76 mm             | 2 kg       |
