

# Aluminium bollard SAL1,5 CYL100-DZ

100 mm at the ground

## TECHNICAL DATA

|                            |                                                                                                                                                                                                                                   |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Anodising                  | 10 colours                                                                                                                                                                                                                        |
| Packing                    | sleeve material                                                                                                                                                                                                                   |
| Diameter at the base plate | 100 mm                                                                                                                                                                                                                            |
| Finish                     | shot blasted anodised aluminium - anode coating thickness is 20µm as standard (coating thickness of 25µm is also possible), elastomer protection in column's colour up to a height of 350 mm (other height on customer's request) |
| Ingress protection         | IP54 for wire chamber                                                                                                                                                                                                             |

## TABLE OF VARIANTS

| Code  | Code       | Symbol           | Height of the column [H] | Wall thickness | Unit volume | Net weight |
|-------|------------|------------------|--------------------------|----------------|-------------|------------|
| 42872 | 42872/C... | SAL1,5 CYL100-dz | 1.5 m                    | 2.7 mm         | 0.017 m³    | 4.9 kg     |

## ANODISING COLOURS
